## WHY HI?

We specialized our self after our trial & error system that what kind of public will give less attrition in what so ever company profile. People working in HARRY INTERNATIONAL are qualified MBA HR, they just know where & how to recruit the exact candidate for the company. Recruiting from so long we know how to recognize the right candidate for the right company with right commitment to work, so there is less wastage of time of both client & our company. Despite of having all the portal available in market we have our data base which we have develop from our initial stages. Our company Runs on Highly organized Software which is made with big investment & which makes us more smart to track down our candidates & also our clients so they we can work more professionally Environment.

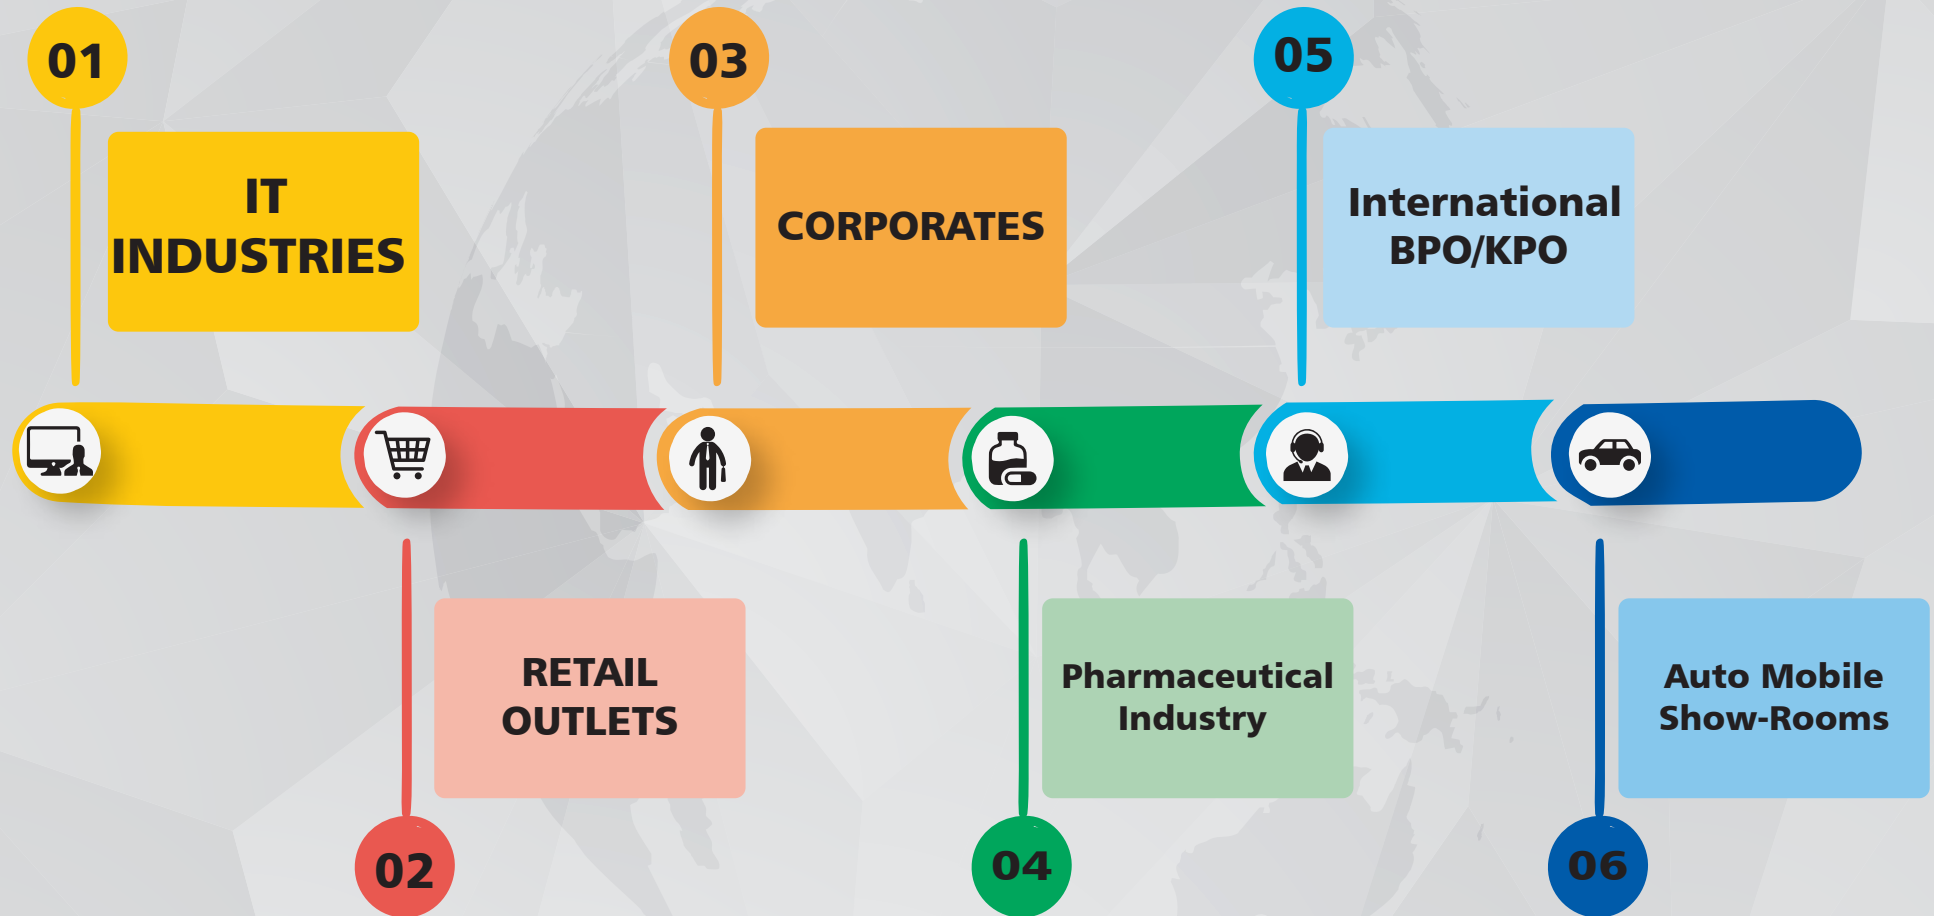

**HARRY INTERNATIONAL IS AN ISO 9001/2008 CERTIFIED COMPANY.  
WE BELIEVE IN GIVING RESULTS & EARNING GOOD.**
