

Milestone Group
Interior Solutions Pvt Ltd

We have a vast collective experience between us.
Our client list is the envy of the industry.
We've been winning accolades every year.

So what's our big secret?

We think like you.

Like you, we're specialists...

....trained, skilled and experienced in every aspect to give you customized solutions, for commercial, retail space & residential.

Under one roof we offer every service and have touched upon every scope of work that requires construction or designing solutions.

About Us

Our Objective

Established in 2009, we've quickly garnered a solid reputation of being creative, functional, quick & cost-effective. And with every project for every client in every sector, we diligently adhere to five 'performance objectives' -

- speed
- cost
- quality
- dependability
- flexibility

Our Services

We offer the following services :

- Turnkey solutions
- Civil works
- Carpentry
- Electrical works
- Networking
- Plumbing
- HVAC
- Safety & security systems
- Modular furniture
- False ceiling installations
- Floorings
- Services drawing
- As-built drawing

Our Projects

To us, there are no big or small projects, nor clients. In fact, it's the complexity of the project that drives us. To succeed, we know we need to understand the project in its entirety.

Because we've been practicing it over the years, it's the only way we know.
